

Annual administrative plan for the National Property Administration in year 2012

Annual administrative objectives

1. Activate national assets, and create asset values:
 - A. Perfect national assets data; promote online transmission of asset registration data; fully control national assets.
 - B. Clear up the occupied national lands; assist the public property administration authority's reinforcing of management; boost the overall utilization efficiency of national assets.
 - C. Diversely activate the utilization of national lands, in line with the urban renewal policy to develop large-area building lots and increase treasury revenues.
