

## Annual administrative plan for the National Property Administration in year 2014

### Annual administrative objectives

1. To perfect state property management and to strengthen the sustainable operation performance:
  - A. Improving national asset information in order to facilitate coordinated operation.
  - B. Providing lands for public service or common use, initiating public construction and facilities to carry out policy objectives.
  - C. Checking and dealing with the inventory of occupied state-owned lands and assisting public property management authorities to strengthen the management in order to enhance overall utilization efficiency of national assets.
2. To activate the values of state assets in order to enhance financial operation effectiveness:

Flexibly utilizing the methods of rental, tender of creation of superficies and improvement in utilization to revitalize uses of state-owned lands and introducing private sector to cooperate in its development.
