

Annual administrative plan for the National Property Administration in year 2016

Annual administrative objectives

1. To perfect state property management and to strengthen the sustainable operation performance:

- (1) Improving national asset information in order to facilitate coordinated operation.
- (2) Providing lands for public service or common use, initiating public construction and facilities to carry out policy objectives.
- (3) Checking up on and dealing with the occupied state-owned lands and recover the lands to their original conditions and assisting public property management authorities to strengthen the management in order to enhance overall utilization efficiency of national assets.

2. To activate national property and apply financial operation flexibly:

Flexibly utilizing the methods of rental, tender of creation of superficies and improvement in utilization to revitalize uses of state-owned lands and introducing private sector to cooperate in its development.
