

2020 National Property Administration Achievement Report

The policy aims and administrative performance in 2020 are as follows:

1. Improving national asset management to create asset activation benefits
 - (1) Revitalizing national public-use property
 - (2) Diversifying the use of national non-public-use property
 - (3) Actively recovering illegally occupied national non-public-use property
 - (4) Enhancing national non-public-use property for green energy industry use
 - (5) Providing required national property for official or public construction use by government entities of all levels
 - (6) Promoting property e-management
 - (7) Actively engaging in national property inventory and takeover of national non-public-use property
 - (8) Clarifying and sorting out changes in national property database
 - (9) Revitalizing military camp use through transformation into national non-public-use property
 - (10) Promoting the greening and adoption of national non-public-use land to promote environmental protection
